# Spiro Clothes for Spring 1920

Suits and Top Coats; Ready Now

THAT'S the word you've been waiting for, you want to know what's what in the new styles; you'll find the answer here; the new Spiro clothes for Spring are ready, including those specially tailored to our order by Hart Schaffner & Marx.

> You'll probably agree that these new styles are the finest you've ever seen; you'll like the long coat; the new square notched lapels; the low openings of the coat and vest; single breasted one, two and three-button modes will be most favored, although one, two and three-button double breasted suits, which have been so popular during the last season, will continue to be favored by many men.

High grade, gentlemanly clothes in models such as these depend for their success on real skill in designing; the use of fine fabrics; the best of workmanship; you'll find all of these embodied in Spiro's Clothes for Spring. And the values are wonderful at \$35, \$40, \$45, \$50 to \$85.
